The 2018 CAR (Conference Agenda Report) literature survey is underway. This is your opportunity to have a voice in what new literature our Fellowship will focus on developing. To participate in the survey go to our website www.nacentralohio.org and click on the menu item “Literature Survey”

There are many possible choices for new literature; some of them include:

- Literature targeted to: **atheists and members with non-mainstream spiritual beliefs, veterans, older members, younger members, and gay and lesbian members.**
- **Service material focused on our public image**, sponsorship behind the walls basics, GSR orientation material, and Area treasurer’s and budgeting basics.
- Issue Discussion Topics (IDTs) on simplicity and flexibility in service, **respecting our differences and building our unity**, attracting members to service, and **getting youth and newcomers involved.**
