

# **PUBLIC RELATIONS: Awareness Campaign**

Help us reach our goal to create awareness of NA through billboards and print ads in the Central Ohio Area

- Our Area has 1.6 million people, and *many* of them have no idea that NA exists
  - Of those who have heard of us many don't really know anything about our program of recovery
  - Your PR subcommittee is out to change that
- ✓ Members of NA can make a donation.
  - ✓ Some groups are hosting fundraisers or taking up a collection from their home HG members.
