

Will you help carry our message of hope and freedom?

Over 200 people behind bars in Ohio have written to NA asking for help.

- They don't get to experience the therapeutic value of one addict helping another.
- They are seeking a new way of life.
- We have an amazing opportunity to write to them and share with them by mail what was so freely given to us.

Send an email, or call Area Office at 614-252-1700 to get connected to WSR trusted servants, and learn how you can be of service!

"We begin to treat our addiction by not using. Many of us sought answers but failed to find any workable solution until we found each other. Once we identify ourselves as addicts, help becomes possible. We can see a little of ourselves in every addict and see a little of them in us. This insight lets us help one another. Our future seemed hopeless until we found clean addicts who were willing to share with us. Denial of our addiction kept us sick, but our honest admission of addiction enabled us to stop using. The people of Narcotics Anonymous told us that they were recovering addicts who had learned to live without drugs. If they could do it, so could we."
