

July 17, 2022

Good afternoon family,

I would like to first say that I apologize for not being in attendance today, however, I have some personal situations that need to be addressed and I will return next month. With that, the convention committee meeting that was scheduled for July 2, 2022, was canceled. We will resume on Saturday, August 6, 2022, at Parsons Ave Library from 12pm until the business is discussed.

***Can we please have the positions on the area website updated as well?
Thank you.***

Remember that the convention still has open positions:

I am excited for COACNA 30 to participate in Unity Day with the other Sub-Committee. This will be a Unity Day to remember. We look forward to being a part of and helping to assist with the event itself in the spirit of UNITY. Last but not least, I would like to table the motion that I presented to the Area last month with concern to the Convention Committee prudent reserve as I have not had the opportunity to speak to the committee in order to see how we would like to word the motion for others to understand and also to plan for discussion with regards to this motion. We all know that when we discuss money, the spirit of God has to enter so that a collective conscience can happen. I look forward to having this submitted to the area prior to showing up for the area meeting in the month of August. I appreciate you all for allowing me to serve. Enjoy the rest of your day.
