Phone Numbers

5 SUGGESTIONS FOR NEWCOMERS TO NA

1. Attend at least one meeting every day for the first 90 days of recovery to help you build routine and community. Let people in meetings know you are new, get phone numbers and call them
2. Find a home group and attend regularly to build a homebase for your recovery. Log on/show up early to meetings and stay late to talk with other addicts and get to know people, get phone numbers, and get known.
3. Get a copy of our Basic Text. Read it!
4. Look for a sponsor as soon as you get acquainted with members in your area. Don't be afraid to ask someone and don't give up if your initial choices aren't available.
5. Don't use no matter what! You never have to use again!

**Our message is that an addict,
any addict,
can stop using drugs,
lose the desire to use,
and find a new way to live.**

**Our message is hope
and our promise is freedom.**

**Welcome home;
You never have to use again!**
