IMPORTANT INFORMATION ABOUT YOUR HUNTINGTON ACCOUNT(S)

We have made important changes to your business checking, savings and money market account(s) as described in this notice. Please retain this document for your records as these changes apply to your Business Account Charges Form, Business Signature Card form, and your business Deposit Account Agreement ("Account Agreements:") for Business Banking Customers.

If you have questions or would like a complete copy of the documents referenced above simply visit your local Huntington office, call your Banker or call 1-800-480-2001 to speak to a Customer Service Center Specialist.

Effective August 1, 2024, changes to the Business Deposit Account Agreement (the "Agreement:") are as follows:

1. The following paragraph has been added as Section 1.c.: "It is industry practice that business customers are responsible to discover and/or prevent unauthorized transactions. We have available certain products designed to discover and/or prevent unauthorized transactions, including unauthorized checks and ACH debits, forgeries, and alterations (Business Security Suite includes check positive pay, reverse positive pay, teller block, check block, ACH positive pay and wire block). While no such product is foolproof, we believe that the products we offer will reduce the risk of loss to you from fraud. You agree that if your account is eligible for such products and you choose not to avail yourself of them, then we will have no liability for any transaction that occurs on your account that those products were designed to discover or prevent, nor will we have any duty to re-credit your account for any such losses. Please know that utilizing Business Security Suite does not prevent all losses. Huntington is responsible to act in good faith and with ordinary care, which does not include reviewing each transaction individually or insuring that you have no losses."
2. The last sentence of the first paragraph of 4.d. has been deleted.
3. Section 19 has been re-named "Huntington Instant Payments (SM) - HIP" and references throughout the section have been updated.
4. Subparagraph d of Section 21 is deleted in its entirety and replaced with the following:

ARBITRATION PROCEDURES

The American Arbitration Association (AAA) shall administer each arbitration initiated under this Arbitration Provision and in all cases, each arbitrator must be a licensed attorney with more than 10 years of experience. Where AAA's Consumer Arbitration Rules, Mass Arbitration Supplementary Rules, or other applicable rules differ from this Arbitration Provision, the terms of this provision shall apply. For information on initiating arbitration, contact AAA at www.adr.org or 800-778-7879.

The arbitrator shall issue a reasoned written decision sufficient to explain essential findings and conclusions. If requested, the arbitrator shall apply the cost-shifting provisions of Federal Rule of Civil Procedure 68 after entry of an award.

By submitting an arbitration demand, the party and counsel represent that, as in court, they are complying with the requirements of Federal Rule of Civil Procedure 11(b), including that the claims and relief sought are neither frivolous nor brought for an improper purpose. The arbitrator is authorized to impose any sanctions available under Federal Rule of Civil Procedure 11 on represented parties and their counsel.

IMPORTANT INFORMATION REGARDING YOUR STATEMENTS

EFFECTIVE AUGUST 1, 2024

Effective August 1, 2024, we will be implementing several improvements to your Demand Deposit Account ("DDA" or "checking account") Money Market Account ("MMA"), and Savings detailed billing statements. These enhancements will include improved visual accessibility, enhanced account privacy, a redesigned invoice section, and an updated balance required calculation for earnings credit.

With your statement generated on September 9th, the updated statement changes will be as follows:

- Your account numbers will be partially masked, with only the last five digits being displayed.

- The Service Charge detail section will be redesigned to facilitate easy navigation through the charges. Additionally, a new Charge Code column will be added to provide a description of the service charge:
 - B (Billable) use when none of the other charge code types apply
 - C (for **CONSOLIDATED lines)
 - N (for **NO CHARGE lines)
 - E (for **EXPLICIT CHARGE lines)
 - S (for **BILLED SEPARATELY lines)
- The balance required calculation for earnings credit will no longer be rounding the balance required to offset \$1 of fees to the nearest whole number. The new interest calculation steps are as follows: "To determine the balance level required to offset all monthly service charges, you must multiply the total service charges for that month by a multiplier. The multiplier is calculated by dividing the number of days in a year (366 for a leap year) by the result of the Earnings Credit Rate multiplied by the number of days in the statement cycle."
- For customer who receive invoices, the invoice section will undergo significant improvements in order to enhance the customer experience in managing invoices. The key updates will include displaying outstanding invoices and their current amounts due, as well as presenting a categorized breakdown of due amounts by month.

No action is required from you. Your statements will automatically transition to the new statement version. The content of the statements will remain unchanged, except for the balance required calculation for earnings credit formula change. For examples of this new statement format are available for viewing at huntington.com/AccountAnalysis.

These changes will be effective August 1, 2024, and reflected on your August analysis statement (received in September). Please note, the simplified formula changes may have no impact on your statement. For questions regarding statement changes, please contact your Banker, Relationship Manager, Treasury Management Advisor or call us at (800)-480-2001, Monday through Friday, 8:00am to 8:00pm ET and Saturday, 8:00am to 2:00pm ET.
