## IMPORTANT INFORMATION REGARDING YOUR STATEMENTS

### EFFECTIVE AUGUST 1, 2024

Effective August 1, 2024, we will be implementing several improvements to your Demand Deposit Account ("DDA" or "checking account") Money Market Account ("MMA"), and Savings detailed billing statements. These enhancements will include improved visual accessibility, enhanced account privacy, a redesigned invoice section, and an updated balance required calculation for earnings credit.

With your statement generated on September 9th, the updated statement changes will be as follows:

- Your account numbers will be partially masked, with only the last five digits being displayed.
- The Service Charge detail section will be redesigned to facilitate easy navigation through the charges. Additionally, a new Charge Code column will be added to provide a description of the service charge:
  - B (Billable) use when none of the other charge code types apply
  - C (for \*\*CONSOLIDATED lines)
  - N (for \*\*NO CHARGE lines)
  - E (for \*\*EXPLICIT CHARGE lines)
  - S (for \*\*BILLED SEPARATELY lines)
- The balance required calculation for earnings credit will no longer be rounding the balance required to offset \$1 of fees to the nearest whole number. The new interest calculation steps are as follows: "To determine the balance level required to offset all monthly service charges, you must multiply the total service charges for that month by a multiplier. The multiplier is calculated by dividing the number of days in a year (366 for a leap year) by the result of the Earnings Credit Rate multiplied by the number of days in the statement cycle."
- For customer who receive invoices, the invoice section will undergo significant improvements in order to enhance the customer experience in managing invoices. The key updates will include displaying outstanding invoices and their current amounts due, as well as presenting a categorized breakdown of due amounts by month.

No action is required from you. Your statements will automatically transition to the new statement version. The content of the statements will remain unchanged, except for the balance required calculation for earnings credit formula change. For examples of this new statement format are available for viewing at [huntington.com/AccountAnalysis](https://huntington.com/AccountAnalysis).

These changes will be effective August 1, 2024, and reflected on your August analysis statement (received in September). Please note, the simplified formula changes may have no impact on your statement. For questions regarding statement changes, please contact your Banker, Relationship Manager, Treasury Management Advisor or call us at (800)-480-2001, Monday through Friday, 8:00am to 8:00pm ET and Saturday, 8:00am to 2:00pm ET.
